

Aichi Sky Expo

Step into a place where innovation soars, ideas take flight, connections are forged, and visions come to life. Here, Japan's manufacturing prowess meets global inspiration in a space designed to elevate every event experience.

Where Events Take Flight

Aichi Sky Expo

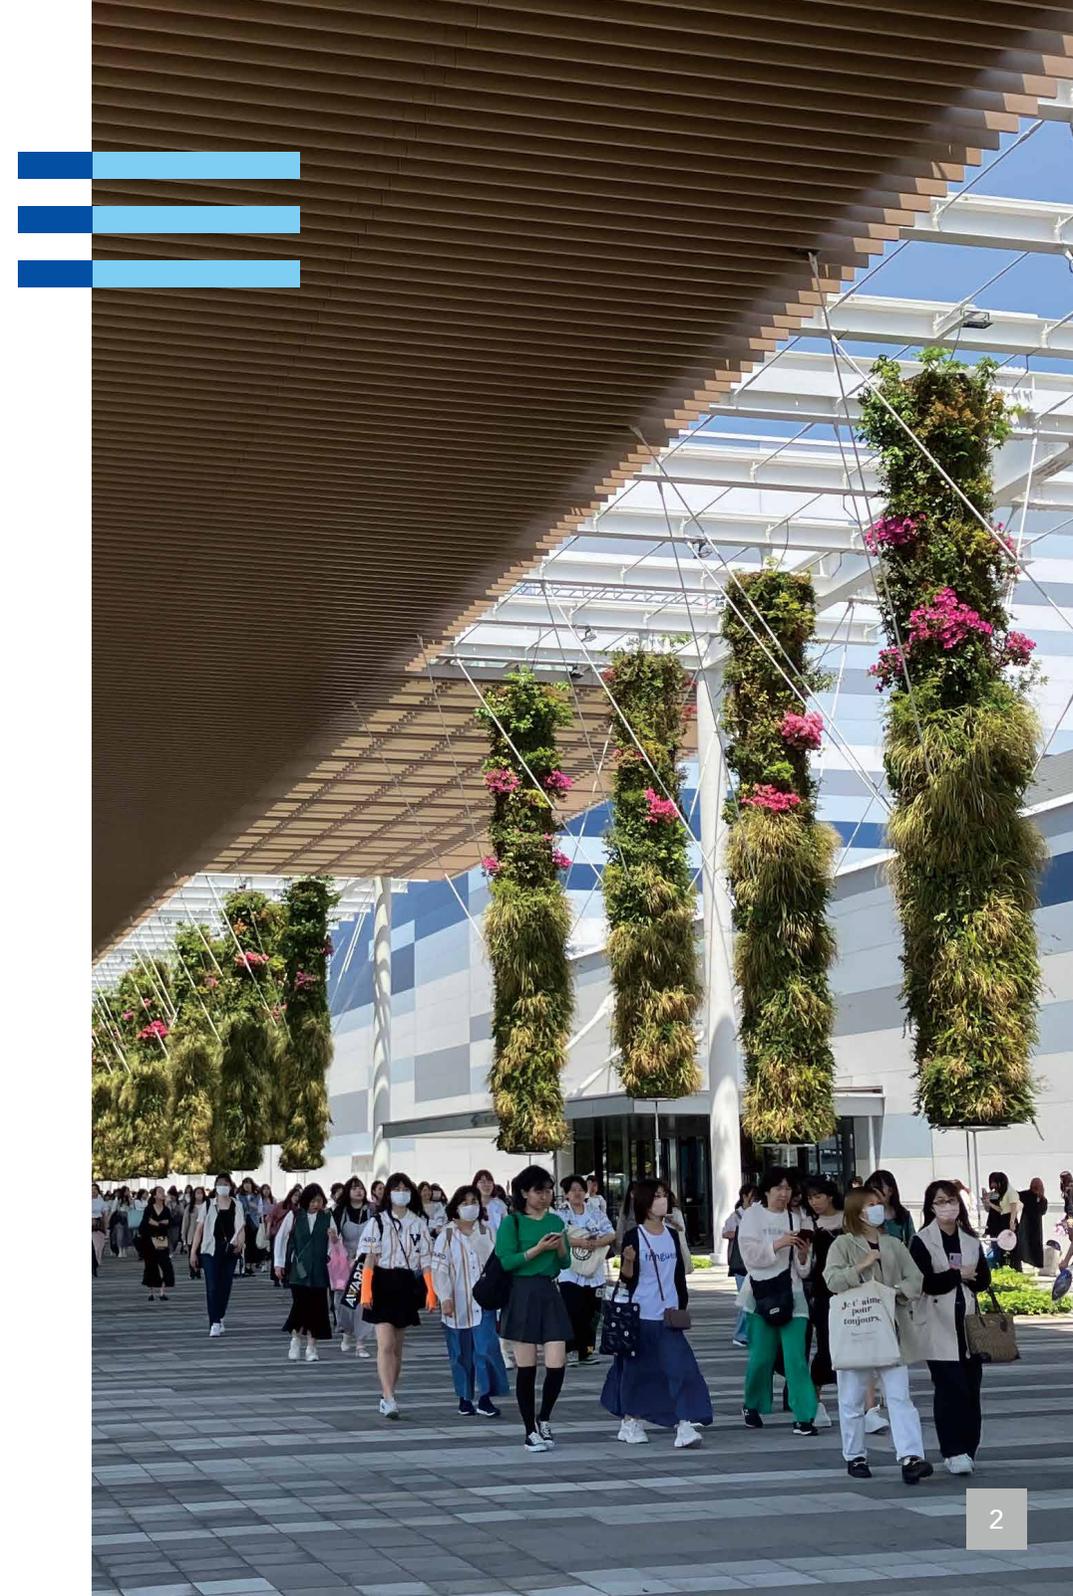

Events That Inspire, Innovate and Connect

Aichi Sky Expo is among Japan's largest MICE venues, and the only permanent bonded venue nationwide, uniquely situated just steps from Chubu Centrair International Airport.

At Aichi Sky Expo, Japan's tradition of innovation meets world-class hospitality. We push the boundaries to deliver extraordinary events that blend cutting-edge facilities with local culture. From global trade fairs to immersive concerts, our commitment to service and creativity will elevate your event to new horizons.

Aichi Sky Expo is operated by Aichi International Convention & Exhibition Center Co., Ltd., established through a joint investment by GL events, a global player in the event services industry, and Maeda Corporation. As part of GL events' network of 60 venues worldwide, we uphold international standards, supported locally through initiatives such as the Aichi Sky Expo Revitalization Promotion Organization formed with Aichi Prefecture.
